

Waterman's Brewing Company

Waterman's Brewing (formerly Fibbers near Wrightsville Beach) celebrates the spirit of a long and impressive tradition of coastal Watermen and Women! Grasp the trident, come on in, and press your nose to the glass brewhouse to watch new beer styles (hoppy juicy, hazy's, and kettle sours) and classic styles (ESBs, Kölsches, and Wits) being brewed before your eyes. Brews not your thing? Behind Cam's bar there is always top-shelf wine and spirits too! Plan on being surprised by Chef Stan's delectable fare from the kitchen – award-winning spins on traditional bar favorites, seafood, and vegetarian creations.

So whether you are grabbing a juicy Abundant Sunshine IPA and dancing with friends in the private party room, playing cornhole and giant Jenga outside on the dog-friendly deck, or warming up by the fireplace with one of their 12 in-house crafted brews, there is something for everyone at Waterman's!
