Wrightsville Beach Brewery

Wrightsville Beach Brewery is committed to being a different kind of brewery, both in the beers they make and the impact they have in the community. Their mission is to educate their customers about environmental stewardship and contribute to community-based non-profits while also making high-quality, tasty beer.

As for the brewpub, the Po' Boys are not to be missed and pair excellently with the Airlie Amber Ale. With a 20-barrel system and 40 beers on tap, they are sure to have something on draft that you will love. Order a pizza and relax under the live oaks in the beer garden or pick up a six-pack for a day on the water. Don't miss Reggae Sundays and other fun, weekly events!
