Resting on the southside of the Cape Fear Riverwalk in Downtown Wilmington, Stalk & Vine offers the perfect vantage point to enjoy a beverage while watching the sun set over the Battleship North Carolina. With eight dedicated local and craft beer taps, a highly cultivated wine list, custom-crafted cocktails, and multi-culturally inspired small plates, former brewer and now restaurateur Zac Brown has created a destination on the riverfront that perfectly conveys their motto of: classy. crafty. casual.
